# Scrofoloso - 1

- **Lymphatic or metabolic and digestive remedy.**
- **Best remedy for disorders of stomach, small intestine and lymphatic system.**
- Impurities of lymph and blood. It cures more than 90% of diseases.
- It is universal remedy. Best and strong anti toxic remedy.
- Maintain metabolic activities. Promote vital energy.
- Improve body immune system.
- Disorders of upper gastro intestinal tract especially stomach.
- Prevent epidemic and endemic form of disease.
- Gastritis, dyspepsia, flatulence, gastro-intestinal catarrh, addiction of tea, tobacco, coffee.
- Anti drug addiction especially for alcoholism, S1 1<sup>st</sup> dill + RE or WE one OD or BD.
- All types of hernia S1 + C15 +A3 + GE.

# Scrofoloso - 2

- **Lymphatic or metabolic and digestive remedy.**
- **S1 is specific for stomach and metabolic activities, but S2 is specific for urinary system especially for urinary bladder.**
- First action of S2 is urinary bladder and secondary actions are other parts of urinary system, as on urethra, ureters and kidneys.
- S2 functional disorders of bladder and C2 is specific for structural disorders of bladder, renal insufficiencies functions of bladder, diabetes, or renal failure.
- Diseases of liver and gall bladder with gastric disturbance.
- Selective remedy for gall stone S10 + S5 + L1 +C5 etc.
- Maintain the gastric functions, maintenance of secretions of bile, disorders of GIT.
- Influenced up on glands of stomach, regulate the secretions of glands of stomach and intestine.
- Urinary calculi S2 + S6 +C2 + C6 + GE.

# Scrofoloso - 3

- **Lymphatic or metabolic and digestive remedy.**
- **S3 acts up on whole lymphatic organs. Specific remedy for skin, cutaneous and subcutaneous cells, tissue and glands.**
- Skin eruptions, and deep or superficial lesions.
- Fictional activities of skin, best remedy for skin eruptions as well as hypersensitivity, and hyperidiosis.
- Eczema, allergic skin eruptions S3 + Ver and Ven group along with GE or YE.
- In skin disease S3 internal and S5 external.
- Sensory spinal nervous, neurasthenic remedy, hyper (higher) or hypoesthesia (low).
- Paralysis S3 + S5. Debilitating diseases of nerves system, central or sympathetic nerves system, impotency, hypersexual excitability and nymphomania.
- Gastric and intestinal mucosa, constipation, and diarrhea.
- S3 laxative means lower dill increase and higher dill decrease.

# Scrofoloso - 4

- **Lymphatic or metabolic and digestive remedy.**
- **It is combined remedy, a combination of S2 and Ven1.**
- **S2: 10 + Ven1: 10 = Scrofoloso-4.**
- S4 is remedy for involvement of lower urinary tract.
- Gonorrhoea, syphilis, other sexual transmitted diseases.
- This remedy influenced on liver, gall bladder, intestines.
- Hereditary diseases.
- All those diseases are come under the influence of S4, which cured with the S2 and Ven1.

# Scrofoloso - 5

- **Lymphatic or metabolic and digestive remedy.**
- **S5 is glandular nervine and digestive remedy, acts up on glandular structures of whole body as liver, gall bladder, spleen, pancreas, cutaneous glands.**
- S5 is specific for those digestive disorders, faulty secretion of liver, gall bladder, or pancreas.
- Maintenance digestive functions, gastric glandular and mucosal secretions.
- Hyper or hypochlorhydria, maintains secretion of intestine and small intestine.
- Best remedy for renal calculi, also renal colic, S5 + S6 + C6.
- Locomotor disorders and muscular system,.
- Disorders of joints, gout, rheumatism, rheumatoid arthritis, myopathy, muscular pain, uric acid, weakness or lameness of muscles, A3 + S6 or C6.
- S5 is motor spinal nerves, paralysis, weakness of muscles, S5 + S3 + Ang + Feb.
- Skin disease S5 is used for LA and S3 is used internal.

# Scrofoloso - 6

- **Lymphatic or metabolic and digestive remedy.**
- **S6 is a remedy for urinary system. Specific for kidneys as well as ureters, bladder and urethra.**
- S6 and S2 both are specific urinary system, S2 for urinary bladder and other parts of urinary system, but S6 for kidneys and other parts of urinary systems.
- Chief remedy for renal colic, renal calculi. Increase renal filtration, washes kidneys.
- Removes amorphous substances from our body and cure so many diseases.
- Gout and deposition of uric acid, restricted movements of joints, with other remedy.
- Lower dill increase renal filtration, higher dill decrease renal filtration.
- In polyuria higher, in oliguria lower dill, in edema or dropsy lower dill.
- Mucosal surface of GIT, disease of heart with Ang group.
- Control the blood pressure, reduces the retention of sodium, cure edema and dropsy, inflammation of body S6 + A1 -ve.

# Scrofoloso - 7

- **Lymphatic or metabolic and digestive remedy.**
- **It is combined remedy, a combination of S1 and A1.**
- **S1: 10 + A1: 10 = Scrofoloso-7.**
- S7 is specific for lymphatic and circulatory system, especially for arterially circulation.
- Metabolic and circulatory activities.
- All those digestive disorders.
- Due to improper arterial circulation of blood.
- All those diseases are come under the influence of S7, which cured with the S1 and A1.

# Scrofoloso - 8

- **Lymphatic or metabolic and digestive remedy.**
- **It is combined remedy, a combination of S1 and A3.**
- **S1: 10 + A3: 10 = Scrofoloso-8.**
- S8 is specific for GIT disorders.
- Due to disturbances of circulation may be arterial or venous.
- Best remedy for inflammatory lesions of lymphatic and digestive systems.
- All those diseases are come under the influence of S8, which cured with the S1 and A3.

# Scrofoloso - 9

- **Lymphatic or metabolic and digestive remedy.**
- **It is combined remedy, a combination of S5 and F1.**
- **S5: 10 + F1: 10 = Scrofoloso-9.**
- S9 is specific for hepato – biliary disorders.
- Disorders of nerves system.
- In case of glandular indurations this remedy is used with C5 and GE.
- All those diseases are come under the influence of S9, which cured with the S5 and F1.

# Scrofoloso - 10

- **Lymphatic or metabolic and digestive remedy.**
- **S10 is most important remedy of Scrofoloso group.**
- **It is known as LIFE SAVING REMEDY.**
- S10 cures many patients of cholera.
- It starts their actions from lymph and blood during terrible epidemic cholera.
- This remedy acts upon each and every organ and system of our body.
- Control the body functions through sympathetic nervous system.
- S10 is all kind of disorders intestines and large intestine.
- Influence on blood vessels. Maintenance of intestinal secretions.
- Diarrhea, dysentery, both conditions decrease the intestinal secretions.
- S10 is for lower intestinal tract, which includes intestine, rectum and anus.
- Disorders of cerebellum, epilepsy, chorea, gastric spam and colic.
- It acts up on liver and gall bladder. And its inflammatory conditions, also jaundice.

# Scrofoloso - 10 Part-2

- Dry nervous spasmodic cough, gastric disorders.
- S10 corresponds to P4.
- Maintains the factions of skin with S3. Hyperidosis and dry skin.
- S10 in lower dill stimulate activities of body cells and tissue.
- S10 in higher dill decrease activities of body cells and tissue.
- For paralysis of various organs S10 + F1.
- Act on hypothalamus of brain. Pyrexia with Feb and Ver with electricity.
- Liver, pancreas, spleen and kidneys. Manage solar plexus.

# Scrofoloso - 11

- **Lymphatic or metabolic and digestive remedy.**
- **S11 is a bet remedy for pneumo-gastric nerve.**
- Cerebellum and hypothalamus.
- In case of vomiting first drug of choice is S11. Anti emetic remedy.
- Sea sickness, vomiting during travelling, morning sickness.

# Scrofoloso - 12

- **Lymphatic or metabolic and digestive remedy.**
- **S12 is influenced on eyes, and its different parts.**
- Disease of cornea, conjunctive, iris and lens.
- Cataract, glaucoma
- For senile cataract S12 + C1 or C5 +A3.
- Cataract in gouty patients S12 + S5 +L2 + C5 + Ven1 + BE or GE.
- Bronchia cough.

# Serofoloso Laxativo

- **Laxative, for constipation.**
- **S Lass is a remedy for lower GIT, especially small and large intestine.**
- Increase the intestinal secretion, constipation
- In constipation S Lass + S2 or S3 or Ver1 or Ver2 and YE according to condition.
- Mostly prescribed 1<sup>st</sup> dill.

# Synthesis - SY

- **General tonic.**
- **SY is combined remedy.**
- Weak patients, general debility.
- After chronic illness for restoration of energy.
- Useful for mild unhealthy state of body.
- For restoration of body energy SY + S10 + A3 and RE or BE

# Linfatico - 1

- **Connective tissue remedies.**
- **L1 influenced lymph and blood as well as up on muscles and articular surface.**
- Muscular and joint disease, myoasthenia, muscular weakness, gout, rheumatism, dislocation and disfigurement of joints.
- Acts on blood cells, dyscrasia of blood as in anemia, leucosis.
- Maintain the count of WBC and RBC.
- Inflammatory lesions of skin with other specific remedies of S and C.
- +ve dill stimulates secretion of cutaneous glandular secretions, and higher dill decrease the same.
- Hyperactivity of sweat glands, excessive sweating, dryness of skin,
- Dermatitis, dry or moist eczema, psoriasis, scabies.
- Joint and muscles, uric acid, gout or rheumatism.
- Amnesia, dementia, chorea, epilepsy, hysteria.

# Linfatico - 2

- **Connective tissue remedies.**
- **L2 is a combines remedy.**
- **S1: 10 + L1: 10 + A3: 5 = Linfatico - 2.**
- Acute and chronic inflammation with fever.
- Tonic after chronic illness.
- Acts up on blood and lymphatic vessels.
- Maintenance blood and lymph circulation.
- All those diseases are come under the influence of L2, which cured with the S1, L1 and A3.

# Angiotico - 1

- **Circulatory remedies.**
- **Left side of heart, arterial structure, components of blood.**
- Circulation of blood, maintenance of blood flow.
- Lower dill used in anemia, ischemia, coldness, numbness, hypotension, and hypoxia.
- Higher dill used in hemorrhages, hypertension, and inflammation.
- Purify the blood, liver, kidneys, filter the blood and spleen.
- Maintenance of blood supply to internal organs.
- Menstrual disorders with or without anemia. Amenorrhea, increase menstrual period.
- A1 is bright red colored hemorrhages means in arterial hemorrhage used in higher dill with BE and WE.

# Angiotico - 2

- **Circulatory remedies.**
- **Right side of heart, veins, and venous circulation.**
- Blood purifier, improper drainage of blood, maintenance of blood circulation.
- Varicose ulcers, thrombosis, hemorrhoids, dry piles, prolapsed anus,.
- Locomotor disorders, stiffness in gout or rheumatism, swelling and pain.
- A2 is dark red colored hemorrhages GE and WE.
- A2 is a remedy for female, leucorrhea, menstrual disturbances, menorrhagia, post menopausal ailments.

# Angiotico - 3

- **Circulatory remedies.**
- **A3 is a remedy for both side of heart, maintenance of blood circulation.**
- All type of blood disorders, chlorosis, poverty of blood.
- Gives extra strength to our different organs and systems.
- Corresponds to Sanguine temperament, so use with S and L.
- Nervous or psychic disorders. Improper supply of blood to organs.
- Lack of blood supply, anemia, numbness, dyspnoea, fatigue.
- Disorders of spinal and cranial nerves.

# Febrifugo - 1

- **Anti pyretic, nervine remedies.**
- For nervous system, maintains or control the functions of whole body, maintains blood supply.
- F1 increase or decrease of blood supply to individual body portion.
- Spinal nerves, motor and sensory nervous, solar plexus.
- Epilepsy, hysteria, psychic disorders, depression, anxiety, headache, all periodic fever,
- Control the functions of skin,
- F1 lower dill stimulate the nerve impulse and increase the activation of various body structures, and higher dill decrease same.
- Acts up on pituitary glands, and cure so many complaints, hormonal imbalance, hyper or of hypo state of thyroid, adrenal glands.
- Excrete foreign bodies from our body,
- In gout and uric acid, monosodium urate, calcium pyrophosphate, dehydrate F1 + S5 + S6 + A3 + WE or GE.

# Febrifugo – 1 Part-2

- F1 maintains structural and functional activities of organ and system.
- Acts on all magnetic and electric disturbances in the nervous system.
- Regulate rhythm, body temperature, heart rate, and blood pressure.
- Maintain temperature, water balance, and hormone balance.
- Fever and malaria F1 + L1 + YE with or without S10 + C10.
- Diseases of liver and gall bladder F1 + S5 + S10 + C5 + C10 + Ven1 and GE.
- Exhaustion, depression, anxiety, amnesia, disorientation, confusions, convulsions, spasmodic contraction, paralysis, hemiplegia, paraplegia, mania, psychosis.

# Febrifugo - 2

- **Connective tissue remedies.**
- **F2 most commonly similar as F1.**
- **F1 is used internal application, but F2 is used external application.**
- **F2 is used when F1 fails to cure the disease or its symptoms.**

# Pettorale - 1

- **Reparatory, pectoral remedies.**
- **P1 for upper respiratory tract, larynx, trachea, and bronchioles also alveoli.**
- Best remedy for cough, cold, coryza and catarrh of nose and throat.
- Bronchitis, laryngitis, dyspnoea, and dysphagia due to sore throat.
- Nasal congestion or inflammation P1 + A1 -ve A2 +ve or A3 in lower dill + S10 + WE or GE.
- Allergic bronchitis or asthma, P1 + Ver group + YE.
- Bronchial tumors or extra growths upper respiratory tract P1 used with C and Ven or GE.

# Pettorale - 2

- **Reparatory, pectoral remedies.**
- **P2 is a remedy for lungs, specially acts up on alveoli of lungs.**
- Pulmonary degenerations with bronchial catarrh, suppuration with yellow, green expectoration.
- P2 is corresponds to C group, because C are specific for degenerative diseases, similar P2 for degeneration of lungs as in carcinoma or pulmonary tuberculosis.
- Pulmonary tuberculosis P2 + C5 + A3 + F1 + GE.
- Hereditary tuberculosis P2 + additional Ven 1, it all hereditary or congenital.
- Lower dill increase the production of expectorations and cure dryness of mucosal surfaces and higher dill decrease mucosal secretions and cure catarrhal symptoms.
- Asthma, pneumonia, COPD,.

# Pettorale - 3

- **Reparatory, pectoral remedies.**
- **P3 acts up on windpipe, trachea, larynx and nasal mucosa.**
- Mainly prescribed to children and females or soft natured and weak physic persons.
- It also acts as supportive remedy with P1 or P in the diseases of respiratory system.
- P3 specially use in case of productive spasmodic cough, asthma, with sever dyspnoea, and cough with expectoration.
- Diphtheria or whooping cough P3 + C13 + A3 + WE or YE.

# Pettorale - 4

- **Reparatory, pectoral remedies.**
- **P4 acts up on pneumogastric nerve, vagus nerve, arise from hypothalamus of brain.**
- P4 corresponds to the influence of S10.
- Disease of lungs, disorders of stomach, or nerves system, used P4 + S10 + F1 + C13 + Ver1 + Ven1 and GE or YE.
- P4 also use in cough due to nervous or psychic disorders as in depression, fear or anxiety etc.
- In above conditions use P4 + S10 + F1 + YE or WE.
- Whooping cough, dry spasmodic cough.

# Pettorale - 5

- **Reparatory, pectoral remedies.**
- **It is combined remedy, a combination of C5, P2 and Ven1.**
- **C5: 10 + P2 : 10 + Ven1: 10 = Pettorale-5.**
- Specifically acts up on bronchiole and pulmonary cells (alveoli).
- Pulmonary tuberculosis, mainly hereditary and congenital.
- Chronic pulmonary diseases with degenerative process.
- Pulmonary abscess, pulmonary neuplastic growths.
- Bronchial carcinoma, tumors, broncho – pulmonary fistula.

# Pettorale - 6

- **Reparatory, pectoral remedies.**
- **P6 is combined remedy, a combination of P1 and C5.**
- **P1: 10 + C5: 10 = Pettorale-6.**
- Acute and chronic obstructive diseases of upper respiratory tract.
- Catarrhal conditions, nasal polyp, nasal catarrh, tumors of larynx, pharynx, or trachea.
- Hoarseness of voice due to diphtheria, extra cellular growth of upper respiratory tract.

# Pettorale - 7

- **Reparatory, pectoral remedies.**
- **P7 is combined remedy, a combination of P2, A1 and C5.**
- **P2: 20 + C5: 20 + A1: 10 = Pettorale-7.**
- Pulmonary tuberculosis with frank hemorrhage from lungs.
- Regeneration of destructive tissue of lungs as in pulmonary abscess.

# Pettorale - 8

- **Reparatory, pectoral remedies.**
- **P8 is combined remedy, a combination of P2, F1 and C5.**
- **P2: 10 + C5: 20 + F1: 20 = Pettorale-8.**
- Pulmonary tuberculosis, pulmonary degenerative diseases.
- All those diseases are come under the influence of P8, which cured with the P2, F1 and C5.

# Pettorale - 9

- **Reparatory, pectoral remedies.**
- **P8 is combined remedy, a combination of P1, F1 and C5.**
- **P1: 10 + C5: 10 + F1: 10 = Pettorale-9.**
- Violent cough, mucosal expectoration.
- Pneumonia with high-grad fever.
- All those diseases are come under the influence of P8, which cured with the P1, F1 and C5.

# Vermifugo - 1

- **Anti-helminthic / anti-biotic and anti-allergic remedies.**
- **Specific for all types of intestinal worms.**
- Best worm ejector, evacuates worms in both alive and dead.
- This remedy kills or expels the worms from intestine.
- Preventive remedy for worm infestations, or other common intestinal infections., epidemic cholera, gastro-enteritis.
- Antiseptic and antibiotic in various infections conditions especially gastro intestinal tract, or kin surface.
- Gastro-intestinal disorders Ver-1 + S1 + S10 + C10 + Ven-1 and WE, YE or GE.
- It is best remedy for degenerative wounds, ulcers, fistula.
- Cancerous pain Ver-1 is used with C and A or other remedies of different groups according to site and type of carcinoma.
- Cancerous pain Ver-1 + C5 + GE.
- Strong dill stimulate the intestinal function, so lowe dill use for constipation with S2 + S3 +S lass with YE.

# Vermifugo - 2

- **Anti-helminthic / anti-biotic and anti-allergic remedies.**
- It is similar as Ver-1, and it is used when Ver-1 fails to cure disease or its symptoms.
- Ver-2 is gentle, deeper and strong as compare to Ver-1.
- In most of cases Ver-1 internally and Ver-2 externally.
- In skin disease Ver-2 + S5 + C5 + GE or YE.

# Canceroso - 1

- **Tissue / glandular or anti degenerative remedies.**
- **C1 is most extensive and universal on the entire sphere of glands, lymph absorbent vessels, salivary glands, mucous membranes, serous membranes, especially of throat, male and female genitals subcutaneous and cutaneous cellular and tissue structure.**
- C1 is specific for ulcers, indurations, catarrh of pharynx, vagina, uterus, throat, nose, ear and eyes. Acute chronic skin eruptions, leucorrhea, menstrual disorders.
- For physiological and pathological changes, during reproductive age, and after menopause.
- C1 is first choice for abortions, promote growth of child. (higher dill once in day).
- For easy delivery C1 in 1<sup>st</sup> dill 2-3 in a day starts in 9<sup>th</sup> month. Painless delivery.
- Mental and physical disorders, lack of sexual interest.
- It is best remedy for

# Canceroso - 1 Part-2

- It is best remedy for catarrhal symptoms an is leucorrhea, otorrhoea, bland coryza, and laryngeal or pharyngeal catarrh.
- Carcinoma of breast and uterus.
- Fistula and degenerative diseases, especially female and male genital and reproductive organs.
- For glandular degenerations, C1 + C3 + C5 + S5 + A3 + L1 and GE.
- C1 in lower dill stimulate the mucosal and glandular secretions.
- C1 in higher dill decrease the secretions of mucosal surface and glandular structures.
- Dryness of virgina in lower dill, and leucorrhea in higher dill.
- Malignant growth of lips, stomach, breast, and intestine.

# Canceroso - 2

- **Tissue / glandular or anti degenerative remedies.**
- **C2 for urinary bladder and entire urinary systems.**
- Urinary bladder including prostate, all type of urinary disorders.
- Polyuria, dyuria, frequent desire for urination,.
- Extra growths and its appendages.
- C2 use in carcinoma, polyp and prostatic hypertrophy.
- Acts on gastro intestinal tract, rectum and anus,.
- Piles, rectal prolapse, dropsy, edema and bronchial catarrh.
- Acts up on liver, gall bladder, pancreas and other glandular structures.

# Canceroso - 3

- **Tissue / glandular or anti degenerative remedies.**
- **For skin and its appendages.**
- Acts up on cutaneous and subcutaneous cellular and glandular structures.
- Degenerative skin lesions, extra growths in lupus, warts, moles, with S3 + A3 + Ven-1 + GE.
- Unhealed open degenerated ulcers, gangrene, necrosis, lepromas, leprosy.
- Cancerous growths of skin as well as diseases of cartilages and muscles.
- Acne, pimples, black heads C3 + S3 +APP.
- Thyroid other endocrine disorders used C3 + S5 + Linf-1 + A1 + C5 and RE or BE.
- Bone or cartilages C3 + C4 and GE.
- C3 in lower dill increase the cutaneous and glandular secretions and cure drynees of skin, and in higher dill decrease or relax functions of skin and glandular structures, so cure moist eczema.

# Canceroso - 4

- **Tissue / glandular or anti degenerative remedies.**
- **For bone and cartilages, as well as mucosal surfaces of stomach and intestine.**
- C4 used in gout, deposition of uric acid, inflammation of joints.
- Horny substance, bony substance, construct the bones, hair and nails, deformities of bones, joints, teeth. Improvement of growth of teeth.
- Fistula of gums, or gingivitis C4 + Linf-2 and GE.
- C4 is best for fractures of bones, dislocation of bones or joints, weakness of cartilages and tendons, bony tumors, bony injuries.
- Gastric or duodenal ulcer, deep gangrenous ulcer over the mucosal surface.
- Wound and ulceration, leucorrhea,.

# Canceroso - 5

- **Tissue / glandular or anti degenerative remedies.**
- **Similar as S5, both are use for diseases of skin, glandular structures as liver, gall bladder, pancreas.**
- Externally both remedies are use with A3 + F1 and GE in lotion, bath, ointment.
- Carcinoma of breast, liver, gall bladder, prostate, intestines with other remedies.
- All types of nodes or tumors may be of benign or malignant, fistula, carbuncle, degenerations, gangrenous ulcers and necrosis.
- Varicosity of vein, varicose ulcers, hemorrhoids C5 with A2 in lower dill.
- All types of obstructions may be of intestinal or respiratory. In intestinal C5 + S10 + C10 + S Lass and GE, in respiratory obstructions C5 + P1 and GE.
- Cholecystitis, cholelithiasis, hepatitis, hepatic abcess, diabetes, pancreatitis, proctatitis C5 + C10 with other specific remedies.
- Gout, rheumatism, arthritis, or other joint or muscular diseases C5 is first drug, with S5 + Linf- 2 + F1 and BE or WE.

# Canceroso - 5

- In joint or muscular diseases as well as in neuromuscular disorders C5 is used externally in the form of ointment or oil, with S5 + F2 and WE or RE.
- Internally in above conditions C5 + S5 + S6 + C4 + C6 + F1, Ven-1 with WE or BE.
- With above remedies C5 stops deposition in the joint and muscles.
- Lymph purification, maintains the structural and functional activities of lymph glands,.
- C5 maintain the digestive activities, with the maintenance of hepatic, pancreatic, and gall bladder secretions.

# Canceroso - 6

- **Tissue / glandular or anti degenerative remedies.**
- **C6 for kidneys and other parts of excretory systems.**
- S6 for parenchymal cells and C6 for mesenchymal.
- In case of structural disorders of kidneys S6 + C6 used with A3 + Ver- 1 and Ven-1.
- Renal or bladder tumors C6 first choice, with GE.
- Blunt injuries, gout and rheumatism C6 + S5 + C5 +Linf- 2 + F1 and BE or GE.
- Gout, rheumatism, uric acid, insect bite or sting bite, mosquito bite.

# Canceroso - 7

- **Tissue / glandular or anti degenerative remedies.**
- **C7 is combined remedy, a combination of A2 and C5.**
- **C5: 20 + A2: 10 = Canceroso- 7.**
- **Specific for venues system, and use for all types of inflammatory lesions.**
- Varicose ulcers, hemorrhoids.
- Cancerous growth of glandular structures with degenerative symptoms.
- All those diseases are come under the influence of C7, which cured with the A2 and C5.

# Canceroso - 8

- **Tissue / glandular or anti degenerative remedies.**
- **C8 is combined remedy, a combination of F1, S2 and C10.**
- **F1: 10 + S2: 10 + C10: 10 = Canceroso- 8.**
- **Foe lower GIT, especially large intestine, rectum and anus.**
- Disorders of liver and gall bladder, hypertension.
- Best remedy for colon or rectal carcinoma with sever spasmodic convulsions.
- Intestinal obstruction, spastic colon, mal absorption syndrome.
- All those diseases are come under the influence of C8, which cured with the S2, F1 and C10.

# Canceroso - 9

- **Tissue / glandular or anti degenerative remedies.**
- **C9 is combined remedy, a combination of S1, A3 and C5.**
- **S1: 10 + C5: 10 + A3: 5 = Canceroso- 9.**
- **Entire glandular structures of GI tract and digestive system.**
- Disorders of glandular structure, mucosal surfaces and digestive system with circulatory disturbances.
- Best remedy for metabolic disturbances with impurities of lymph and blood.
- All those diseases are come under the influence of C9, which cured with the S1, A3, and C5.

# Canceroso - 10

- **Tissue / glandular or anti degenerative remedies.**
- **Intestine, rectum, appendix, gall bladder and liver.**
- Disorders of nervous or appear due to nervous system disorders as anorexia nervosa, spastic colon, nervous diarrhea.
- Digestive disorders due to dysfunction of liver, gall bladder or defective secretions of digestive juices for stomach, intestine, liver, gall bladder and pancreas.
- In diarrhea C10 + S10 + Ver-1 and YE or WE.
- In morbid state of intestine C10 + S2 +S10 YE or GE.
- Intestinal tuberculosis may be or primary or secondary and in carcinoma growth of intestine, colon, rectum or anus use C10 + S10 +C5 + Ver-1 +Ven-1 and GE.
- C10 maintain the functions of liver and cure hepatitis, jaundice, hepatic abscess C10 + S2 + S5 + S10 + F1 + A3 + GE and BE.
- Colitis, spastic colon, ulcerative colitis, and rectal prolapse.

# Canceroso - 11

- **Tissue / glandular or anti degenerative remedies.**
- **C11 is combined remedy, a combination of S5, C5, A2 and Linf-1.**
- **S5: 10 + C5: 10 + A2: 5, Linf-1:10 = Canceroso- 11.**
- **Glandular indurations with passive congestion.**
- Hepatosplenomegaly after malaria, appendicitis, gout or rheumatism, with sever joint and muscular pains with swelling.
- Paralysis, neurasthenia, numbness, cold hands and extremities.
- All those diseases are come under the influence of C11, which cured with the S5, C5, A2 and Linf-1.

# Canceroso - 12

- **Tissue / glandular or anti degenerative remedies.**
- **C12 is combined remedy, a combination of A1, C1, and C14.**
- **A1: 15 + C1: 30 + Atropa Belladonna 5 = Canceroso- 12.**
- Mucosal or serous membranes, male and female genitals, throat.
- Catarrh, inflammatory lesions of male and female genitals, tonsils, larynx C12 with Be or GE.
- In cellulites, carbuncle, fistula, diphtheria, high fever C12 WE or BE.
- All those diseases are come under the influence of C12, which cured with the C12, A1 and C1.

# Canceroso - 13

- **Tissue / glandular or anti degenerative remedies.**
- **For throat, larynx, pharynx and vocal cord.**
- Best remedy for catarrh, pharynx, larynx, nose, coryza, or influenza.
- Dysphagia, dysphonia, aphonia, hoarseness of voice, sore throat and inflammatory lesions of larynx and pharynx.
- First drug of choice in degenerative or cancerous growths of throat or its appendages.
- Diphtheria, which is caused by bacterial infection, throat pain.
- Tonsillitis, diphtheria, sore throat, pharyngitis, laryngitis.

# Canceroso - 14

- **Tissue / glandular or anti degenerative remedies.**
- **C14 is combined remedy, a combination of F1, C13, and A3.**
- **F1: 10 + C13: 10 + A3: 5 = Canceroso- 14.**
- Diphtheria, tonsillitis, high fever.
- Cancerous growth of throat.
- All those diseases are come under the influence of C14, which cured with the F1, C13 and A3.

# Canceroso - 15

- **Tissue / glandular or anti degenerative remedies.**
- **Stomach and all types of gastric ailments.**
- Navel, cellular tissue, anorexia, gastric debility, Cancerous growths of stomach.
- In hernia of any type may be of inguinal, femoral, umbilical or lumbar, simple or strangulated C15 + S1 + A3 + BE or GE.
- Retching, vomiting, nausea or dyspepsia.

# Canceroso - 16

- **Tissue / glandular or anti degenerative remedies.**
- **C16 is combined remedy, a combination of S1, C15, and A3.**
- **S1: 10 + C15: 10 + A3: 5 = Canceroso- 16.**
- All types gastric and abdominal disturbances, improper circulation of blood.
- Gastric carcinoma, with sever anemia and hernia.
- All those diseases are come under the influence of C16, which cured with the S1, C15 and A3.

# Canceroso - 17

- **Tissue / glandular or anti degenerative remedies.**
- **Cystic tuberculosis, specific for urinary bladder, lower abdomen.**
- All kind of urinary troubles, bladder disorders.
