Scrofoloso-1

- **The remover of diseases, metabolism, digestive, universal remedy.**
- This also used as a preventive, as it purifies and preserves the body from diseases arise from scrofulous principles and promote good appetite and digestion.
- **Constitution:** Lymphatic, mixed.
- **Organs/ systems:** Lymphatic system, abdominal system, stomach, intestine, digestive tract, nervous, and liver.
- Digestive disorders, stomach disease, digestive bloating, heartburns, hypo or hyper acidity, flatulence, nervous digestion, asst the liver after drinking alcohol and nicotine, nourishment to support digestive system, malnutrition disorder, excessive gastric secretion, acidity, nourish the blood formation, digestion healthy functioning of the body, loss of appetite, fat burner, bone strengthen, taken daily with meals it induces sleep, regulate appetite and preventative of disease.

Scrofoloso-2

- **Gall bladder, urinary bladder.**
- S1 is specific for stomach and metabolic activities, but S2 is specific for urinary system especially for urinary bladder.
- **Constitution:** Lymphatic constitutional complaints.
- **Organs/ systems:** Gall bladder, liver, digestive, intestine, urinary system.
- Digestive complaints, promote bile, gall stones, constipation, promote bowel regulation, indigestion bloating, heartburns (gall disorders), flatulence, liver disorder, cirrhosis, fatty liver, jaundice, hormone regulation in female, gastric ulcers causing pain and discomfort.

Serofoloso-3

- **Skin specific intestine.**
- S3 acts up on whole lymphatic organs. Specific remedy for skin, cutaneous and subcutaneous cells, tissue and glands.
- **Constitution:** Lymphatic and all constitution.
- **Organs/ systems:** Skin, nervous system, glands, reproductive system.
- Skin disorders, chronic eczema, pruritus, rashes, lymphatic system, colitis, enteritis, ulcerative, thyroid disease, sexual misuse, lymph purifier, loss to luster to the skin, chronic diarrhea, swelling of glands.
- Skin eruptions, and deep or superficial lesions, Functional activities of skin, best remedy for skin eruptions as well as hypersensitivity, and hyperidiosis.

Scrofoloso-4

- **Urinary organs, synergy effect two individual remedies S2, Ven1.**
- **S2: 10 + Ven1: 10 = Scrofoloso-4.**
- **Constitution:** All type of constitution.
- **Organs/ systems:** Urinary organs, skin, liver.

- Inflammatory conditions of urinary tract, skin diseases, inflammation, chronic urinary catarrh, chronic cystitis, gall stone (hereditary condition), prostate problem, psoriasis.

- S4 is remedy for involvement of lower urinary tract, Gonorrhoea, syphilis, other sexual transmitted diseases, This remedy influenced on liver, gall bladder, intestines, Hereditary diseases.

Serofoloso-5

- **Liver, specific skin.**
- S5 is glandular nervine and digestive remedy, acts up on glandular structures of whole body as liver, gall bladder, spleen, pancreas, cutaneous glands.
- **Constitution:** Bilious & all constitution.
- **Organs/ systems:** Skin, liver, muscles, intestine.
- Liver cleanse, liver damage due to long time consuming alcohol, acute skin disease, uric acid, clear inflammatory heat, muscle rheumatism, hot irritated liver, hepato-renal syndrome (damage of liver and kidney), detoxification via the liver, gout, joint complaints due to rheumatism, acute eczema, rashes.
- S5 is specific for those digestive disorders, faulty secretion of liver, gall bladder, or pancreas, Disorders of joints, gout, rheumatism, rheumatoid arthritis, myopathy, muscular pain, uric acid, weakness or lameness of muscles.

Scrofoloso-6

- **Kidney specific.**
- S6 is a remedy for urinary system. Specific for kidneys as well as urethras, bladder and urethra, S6 and S2 both are specific urinary system, S2 for urinary bladder and other parts of urinary system, but S6 for kidneys and other parts of urinary systems.
- **Constitution:** All constitution.
- **Organs/ systems:** Kidney, urinary system, bladder, metabolism.
- Kidney disorders, detoxification via kidney, liver damage due to long time consuming alcohol, acute skin diseases, uric acid, inflammatory conditions in urinary systems, kidney stone, edema, hepato-renal syndrome (damage of liver and kidney), gout, joint complaints due to uric acid, cystitis, urinary infection and kidney infections to clear cloudy, reduce swellings, high blood pressure due to kidney damage.

Scrofoloso-7

- **Stomach, digestive organs, synergy effect two remedies S1, A1.**
- **S1: 10 + A1: 10 = Scrofoloso-7.**
- **Constitution:** Lymph and sanguine constitution.
- **Organs/ systems:** Stomach, glands, intestine.
- Digestive disorders, acute inflammatory conditions of metabolic, acute colitis, ulcerative colitis, crohn's disease.
- S7 is specific for lymphatic and circulatory system, especially for arterially circulation, Metabolic and circulatory activities, All those digestive disorders, due to improper arterial circulation of blood.

Scrofoloso-8

- **Malnutrition, synergy effect two remedies S1, A3.**
- **S1: 10 + A3: 10 = Scrofoloso-8.**
- Boost up all over health by restoring metabolism and blood nutrition.
- **Constitution:** All constitution.
- **Organs/ systems:** Stomach, digestive system, blood, intestine.
- Stomach disorders, due to anemia, weakness due to poor diet, lack of appetite, digestive weakness, regulate the liver and heart and also help to build muscles.
- S8 is specific for GIT disorders, due to disturbances of circulation may be arterial or venous, best remedy for inflammatory lesions of lymphatic and digestive systems.

Scrofoloso-9

- **Liver, nervous system, synergy effect two remedies S5, F1.**
- **S5: 10 + F1: 10 = Scrofoloso-9.**
- **Constitution:** All constitutional complaints.
- **Organs/ systems:** Liver, stomach glands, digestive system, nervous system, intestine.
- Liver disorder, disorders of nervous system, helps to regulate the liver, helps to maintain healthy mucus membrane, colitis, gastro intestinal tract disorders, regulate the bowel regularly, colon tonic and detoxifier.
- S9 is specific for hepato – biliary disorders, disorders of nerves system.

Scrofoloso-10

- **Enhance nervous digestive system.**
- Lymphatic or metabolic and digestive remedy, S10 is most important remedy of Scrofoloso group, It is known as LIFE SAVING REMEDY.
- **Constitution:** Nervous constitution.
- **Organs/ systems:** Stomach, digestive system, nervous system, intestine, liver, skin, gall bladder.
- Stomach disorders due to nervous system, ability to help balance digestion, it is warming remedy that accurately increases digestive enzymes and absorbs of nutrition, peripheral circulatory stimulant and warms the extremities of the body, colic due to indigestion, relives the pain associate with most of the complaints (digestive, kidneys, nervous), hyper acidity, feverish conditions, infectious diseases, promotes sweats via sebaceous gland, allergic conditions, rhinitis, hay fever and colds, nervous constipation, synergetic relaxing that acts to strengthen and calm the nervous system, helps to maintain a healthy digestion, diarrhea, helps alleviate flu, upper respiratory tract, helps to sooth emotions of the heart, fast pulse, excessive sweating.

Scrofoloso-11

- **Morning and travel sickness.**
- Lymphatic or metabolic and digestive remedy, S11 is a bet remedy for pneumogastric nerve.
- **Constitution:** All constitution complaints.
- **Organs/ systems:** Stomach, nervous system.
- Pregnancy sickness, nausea due to stomach upset, nausea due to travel, nausea due to migraine, dizziness.
- Cerebellum and hypothalamus, In case of vomiting first drug of choice is S11, anti emetic remedy.

Scrofoloso-12

- **Eye specific, S12 is influenced on eyes, and its different parts.**
- **Constitution:** All constitution.
- **Organs/ systems:** Eyes, nervous system.
- Conjunctivitis, eye inflammation, cataract, dizziness due to weak eyesight, migraine due to eyesight, glaucoma, eye disorders due to diabetes, eye disorders due to any other major illnesses, helps to improve eyesight.

S LASS. Laxativo

- **A mild laxative to purify the intestines.**
- S Lass is a remedy for lower GIT, especially small and large intestine.
- **Constitution:** All constitution.
- **Organs/ systems:** Intestine, digestive system.
- Useful for maintaining digestive tract, sluggishness bowel movement, constipation, flatulence. Increase intestinal secretions.

Synthesis - SY

- **Gall bladder, urinary bladder, synergy effect of several remedies.**
- As a general tonic to the whole system, this mixture of several remedies is used to keep the entire system functioning at optimum health. For people who suffered from long illness and feels weakness in the body can uses to regain the strength to the whole system and nourish the following organs and systems of the body.
- **Heart and circulatory system, Lungs and respiratory system.**
- **Stomach and digestive system, Glands and hormone system.**
- **Lymph and immune system, Mind and nervous system.**
- **Sexual organs and reproductive system, Intestine and colon.**
- Weak patients, general debility, after chronic illness for restoration of energy, useful for mild unhealthy state of body.

Linfatico- 1

- **Immune builder specific, Connective tissue remedies.**
- L1 influenced lymph and blood as well as on muscles and articular surface.
- **Constitution:** Lymphatic.
- **Organs/ systems:** Lymph, blood system, digestive system, spleen, intestine, skin, gland.
- Acute inflammation, immune related disorder, recurrent flu, inflamed eczema, tonsillitis, glands, white discharge, gout, uric acid, lymph nodes, purifying lymph circulation, sinusitis, bronchitis, weak immune.
- Muscular and joint disease, muscular weakness, gout, rheumatism, dislocation and disfigurement of joints, anemia, maintain the count of WBC and RBC, hyperactivity of sweat glands, excessive sweating, dryness of skin, dermatitis, dry or moist eczema, psoriasis, scabies.

Linfatico- 2

- **An Immune boosting health tonic, Connective tissue remedies, synergy effect of three health tonic.**
- **S1: 10 + L1: 10 + A3: 5 = Linfatico - 2.**
- Remedy works a preventive tonic to support the entire system.
- **Constitution:** All constitution complaints.
- **Organs/ systems:** Lymphatic system, blood system, digestive system, spleen, intestine.
- Lack of energy, weakness due to debility after long term illnesses, poor appetite, helps to strengthen a tired body and mind, a weak immune system, after illness of pregnancy, helps to maintain a healthy digestion, nourish the blood, liver, heart, lungs, digestive system, enhance male sexual performance and treat impotence, it helps to purify the blood and skin, skin inflammations.

Angiotico-1

- **Circulatory remedy, arterial blood circulation.**
- **Constitution:** Sanguine, mixed and nervous.
- **Organs/ systems:** Left side of the heart, kidney, skin, nervous system.
- Constitutional heart problems, promote blood circulation, reduce blood circulation, arterial bleeding, hemorrhage, internal bleeding, acute inflammation and swellings, strengthen the heart and its muscles, hypertension and hypotension, bleeding piles.
- Circulation of blood, maintenance of blood flow, purify the blood, liver, kidneys, filter the blood and spleen, maintenance of blood supply to internal organs, menstrual disorders amenorrhea, increase menstrual period.

Angiotico-2

- **Circulatory remedy, venous circulation.**
- **Constitution:** Sanguine, mixed.
- **Organs/ systems:** Right side of the heart.
- Venus heart problems, promotion of the venous flow, chronic inflammations and swellings, strengthen the venous circulation, congestion in veins, varicose veins, disorders arising in the uterine system, hemorrhoids, (A specific for piles or hemorrhoids), ulcers due to varicose veins.
- Blood purifier, improper drainage of blood, maintenance of blood circulation, varicose ulcers, thrombosis, hemorrhoids, dry piles, prolapsed anus, locomotor disorders, stiffness in gout or rheumatism, swelling and pain, A2 is a remedy for female, leucorrhoea, menstrual disturbances, menorrhagia, post menopausal ailments.

Angiotico-3

- **Circulatory remedy, blood count (RBS), heart.**
- **Constitution:** Sanguine, mixed, nervous.
- **Organs/ systems:** Both side of the heart, lungs, liver.
- Heart problems, most effective in case blood count, increase red blood cells, iron deficiency, anemic condition, paralysis, general tonic remedy specially in children and female, strengthen the whole heart, disease of the digestive due to low iron, malnutrition due to insufficient iron intake.

Febrifugo-1

- **Anti pyretic, nervine remedies, Mind tonic specific.**
- **Constitution:** Nervous.
- **Organs/ systems:** Nervous system, spleen, liver, skin, gall bladder.
- Fever, acute inflammation, nervous disorders, emotional depression, panic attacks, hot flushes, palpitation, promote mental function, peripheral nerve, stimulant peripheral circulatory, emotionally heal anger, overcome from fears, spleen disorders complaints, low pulse, rapid fast pulse.
- Spinal nerves, motor and sensory nervous, solar plexus, epilepsy, hysteria, psychic disorders, depression, anxiety, headache, all periodic fever, acts up on pituitary glands, hormonal imbalance, hyper or of hypo state of thyroid, adrenal glands, excrete foreign bodies from our body.

Febrifugo-2

- **Neuralgia, stiffness, external uses, connective tissue remedy.**
- **Constitution:** All type of constitutional complaints.
- **Organs/ systems:** Nerve, skin, muscles.
- Nerve pain, muscles weakness, spleen complaints, rashes itching.
- F2 is used when F1 fails to cure the disease or its symptoms.

Pettorale-1

- **Respiratory, pectoral remedies, general lung specific.**
- P1 for upper respiratory tract, larynx, trachea, and bronchioles also alveoli.
- **Constitution:** All constitution.
- **Organs/ systems:** Upper respiratory tract, lungs, respiratory organs.
- Catarrhs, respiratory tract, asthma, acute inflammation of lungs, acute infection of the air passage, acute infection of the upper respiratory tract and bouts of cough, expectorant, and disinfecting, lose of phlegm loose and rateling sometimes raised with difficulty, dry short cough.
- Best remedy for cough, cold, coryza and catarrh of nose and throat, bronchitis, laryngitis, dyspnoea, and dysphagia due to sore throat.

Pettorale-2

- **Respiratory, pectoral remedies, chronic respiratory disorders.**
- P2 is a remedy for lungs, specially acts up on alveoli of lungs.
- **Constitution:** All constitution.
- **Organs/ systems:** Upper respiratory tract, lungs, respiratory organs.
- Coughs, catarrhs with mucus, asthma bronchial, chest illnesses with tough secretion, pulmonary cavities, chronic pulmonary catarrh, tuberculosis of the lungs, water phlegm, asthma with profuse watery mucus.
- Pulmonary degenerations with bronchial catarrh, suppuration with yellow, green expectoration, degeneration of lungs as in carcinoma or pulmonary tuberculosis.

Pettorale-3

- **Respiratory, pectoral remedies, respiratory disorders of the children and female.**
- P3 acts up on windpipe, trachea, larynx and nasal mucosa.
- **Constitution:** All constitution.
- **Organs/ systems:** Upper respiratory tract, lungs, respiratory organs, blood.
- Children's cough, spasmodic and tickling cough, whooping cough, asthma in children, inflammation of the wind pipe, bronchitis, tuberculosis of the lungs, I also works very well on female respiratory conditions.

Pettorale-4

- **Respiratory, pectoral remedies, nervous disorders of lungs.**
- P4 acts up on pneumogastric nerve, vagus nerve, arise from hypothalamus of brain.
- **Constitution:** All constitution.
- **Organs/ systems:** Upper respiratory tract, lungs, respiratory organs, nervous system.
- Nervous coughs, nervous asthma, spasmodic cough, pulmonary emphysema, cough with night sweats, bronchitis, infected sinuses, hay fever, it also works very well for older people, inter-current catarrhs, soreness of intercourse muscles, pain in chest and difficult breathing, sinusitis.
- P4 corresponds to the influence of S10, disease of lungs, disorders of stomach, or nerves system,

Pettorale-5

- **Respiratory, pectoral remedies, respiratory booster specific, synergy effect of three remedies P2, C5, and Ven1.**
- **C5: 10 + P2 : 10 + Ven1: 10 = Pettorale-5.**
- **Constitution:** All constitution.
- **Organs/ systems:** Upper respiratory tract, lungs, respiratory organs.
- Respiratory system booster, chronic asthma, respiratory infections, constitutional lung problems, chronic tuberculosis (hereditary cases).
- Specifically acts up on bronchiole and pulmonary cells (alveoli), pulmonary tuberculosis, mainly hereditary and congenital, chronic pulmonary diseases with degenerative process, pulmonary abscess, pulmonary neuplastic growths, bronchial carcinoma, tumors, broncho – pulmonary fistula.

Pettorale-6

- **Respiratory, pectoral remedies, chronic bronchial catarrh, synergy effect of two remedies P1, C5.**
- **P1: 10 + C5: 10 = Pettorale-6.**
- **Constitution:** All constitution.
- **Organs/ systems:** Upper respiratory tract, lungs, respiratory organs.
- Lung catarrh, purulent cough, obstructive bronchial catarrh.
- Acute and chronic obstructive diseases of upper respiratory tract, catarrhal conditions, nasal polyp, nasal catarrh, tumors of larynx, pharynx, or trachea, hoarseness of voice due to diphtheria, extra cellular growth of upper respiratory tract.

Pettorale-7

- **Respiratory, pectoral remedies, acute inflammation of lungs, synergy effect of three remedies P2, C5 and A1.**
- **P2: 20 + C5: 20 + A1: 10 = Pettorale-7.**
- **Constitution:** All constitution.
- **Organs/ systems:** Upper respiratory tract, lungs, respiratory organs.
- Cough with blood sputum, acute condition of the lungs, vomit with blood.
- Pulmonary tuberculosis with frank hemorrhage from lungs, regeneration of destructive tissue of lungs as in pulmonary abscess.

Pettorale-8

- **Respiratory, pectoral remedies, respiratory conditions with fever, synergy effect of three remedies P2, C5 and F1.**
- **P2: 10 + C5: 20 + F1: 20 = Pettorale-8.**
- **Constitution:** All constitution.
- **Organs/ systems:** Upper respiratory tract, lungs, respiratory organs.
- Cough with sweats, chronic conditions of lungs, respiratory complaints with night sweat, tuberculosis cough special at night, all respiratory conditions along with feverish symptoms.

Pettorale-9

- **Respiratory, pectoral remedies, acute bronchial ailments, synergy effect of three remedies P1, C5 and F1.**
- **P1: 10 + C5: 10 + F1: 10 = Pettorale-9.**
- **Constitution:** All constitution.
- **Organs/ systems:** Upper respiratory tract, lungs, respiratory organs.
- Coughs, acute fever with bronchitis with cramp-like cough, violent choking and vomiting.

Vermifugo-1

- **Intestine, colon specific, all intestinal worms, anti-helminthic / anti-biotic and anti-allergic remedies.**
- **Constitution:** All type of constitutional complaints.
- **Organs/ systems:** Intestine, nervous system, stomach, liver.
- Regulate the intestinal functions, intestinal worms, acute diarrhea, regulate bowel movement, detoxification, colon tonic, intestinal infection, liver cleanser, toning the muscles of the intestines, useful in IBS and maintaining mental and physical level, metabolism disorders, acute colitis, colic due to constipation.
- Worm ejector, alive and dead, intestinal infections, epidemic cholera, gastro-enteritis, antiseptic and antibiotic in various infections conditions especially gastro intestinal tract, or kin surface, degenerative wounds, ulcers, fistula.

Vermifugo-2

- **Intestine, colon regulation, anti-helminthic / anti-biotic and anti-allergic remedies.**
- **Constitution:** All type of constitution.
- **Organs/ systems:** Intestine, digestive tract, liver.
- Chronic intestinal disorders, chronic constipation, gastrointestinal ailments, detoxification via intestine, chronic worm diseases, chronic intestinal infections, liver detox, chronic diseases of the digestive system.
- Ver-2 is gentle, deeper and strong as compare to Ver-1, in most of cases Ver-1 internally and Ver-2 externally.

Canceroso-1

- **Hormonal disorder, it is the supreme women's tonic and is used as a natural supportive treatment during pregnancy, tissue / glandular or anti degenerative remedies.**
- C1 is most extensive and universal on the entire sphere of glands, lymph absorbent vessels, salivary glands, mucous membranes, serous membranes, especially of throat, male and female genitals subcutaneous and cutaneous cellular and tissue structure.
- **Constitution:** Sanguine, mixed.
- **Organs/ systems:** Female reproductive system, glands.
- Female problems, promotion of the hormone, as nourishing hormone precursors that help women to maintain a healthy reproductive system and optimum energy, inflammation of the ovaries and all problems of the uterus, depression, swings mood and emotional fears, disorders of menstruation, irregular menses, female fertility, poly cystic ovary syndrome, acute painful piles, menopause relief and hot flushes, increase breast milk.

Canceroso-2

- **Bladder specific, tissue / glandular or anti degenerative remedies.**
- C2 for urinary bladder and entire urinary systems.
- **Constitution:** Sanguine, mixed.
- **Organs/ systems:** Gall and Urinary bladder, urinary tract, glands.
- Bladder problems, urinary ailments, inflammation of the urinary tract, edema, itching eczema due to intestine, deposit in joints, bronchial infection with mucous, constipation due to dryness, piles, cystitis.
- Urinary bladder including prostate, all type of urinary disorders, polyuria, dyuria, frequent desire for urination, extra growths and its appendages, C2 use in carcinoma, polyp and prostatic hypertrophy, acts on gastro intestinal tract, rectum and anus, piles, rectal prolapse, dropsy, edema and bronchial catarrh. acts up on liver, gall bladder, pancreas and other glandular structures.

Canceroso-3

- **Skin specific, tissue / glandular or anti degenerative remedies.**
- **Constitution:** All type of constitution.
- **Organs/ systems:** Skin, intestine, glands.
- Chronic inflammation, eczema, skin ailments, cartilage, goiter, colitis, muscle rheumatism, abscesses, gangrene.
- Acts up on cutaneous and subcutaneous cellular and glandular structures, unhealed open degenerated ulcers, gangrene, necrosis, lepromas, leprosy, cancerous growths of skin as well as diseases of cartilages and muscles.

Canceroso-4

- **Bone specific, tissue / glandular or anti degenerative remedies.**
- For bone and cartilages, as well as mucosal surfaces of stomach and intestine.
- **Constitution:** All type of constitution.
- **Organs/ systems:** Bone and cartilage, hairs.
- It promote bone skeleton structure, sports injuries and fractures, white discharge in female, osteoarthritis, teething in children, swelling in joints, joints pain, discharge in ears, nails infection or fungal, clearing inflammation to the affected area as well as by strengthening the bone structure, sinusitis.
- Gout, deposition of uric acid, inflammation of joints, horny substance, bony substance, construct the bones, hair and nails, deformities of bones, joints, teeth, improvement of growth of teeth, dislocation of bones or joints, weakness of cartilages and tendons, bony tumors, gastric or duodenal ulcer, deep gangrenous ulcer over the mucosal surface, wound and ulceration.

Canceroso-5

- **Liver and skin specific, tissue / glandular or anti degenerative remedies.**
- Similar as S5, both are use for diseases of skin, glandular structures as liver, gall bladder, pancreas.
- **Constitution:** All type of constitution.
- **Organs/ systems:** Liver, skin, muscles, joints, lungs.
- Excellent for liver function, tumors, cirrhosis, inflammation, ulcerative conditions, harding of glands, varicose veins, skin ailments, hemorrhoids, supportive in respiratory problems, rheumatism of the muscles and joints, **useful in external use.**
- Carcinoma of breast, liver, gall bladder, prostate, intestines, tumors may be of benign or malignant, fistula, carbuncle, degenerations, gangrenous ulcers and necrosis, lymph purification, maintains the structural and functional activities of lymph glands, maintain the digestive activities, with the maintenance of hepatic, pancreatic, and gall bladder secretions.

Canceroso-6

- **Kidney specific, tissue / glandular or anti degenerative remedies.**
- C6 for kidneys and other parts of excretory systems.
- **Constitution:** All type of constitution.
- **Organs/ systems:** Kidney.
- Excellent in kidney complaints, kidney stone, gout, arteriosclerosis, uric acid due to kidney, inflammation of the kidney, urinary infection, harding of glands, varicose veins, skin ailments, high blood pressure due to kidneys.
- Structural disorders of kidneys, renal or bladder tumors, gout, rheumatism, uric acid, insect bite or sting bite, mosquito bite.

Canceroso-7

- **Veins, ulcers, tissue / glandular or anti degenerative remedies, synergy of two individual remedy A2, C5.**
- **C5: 20 + A2: 10 = Canceroso- 7.**
- Specific for venues system, and use for all types of inflammatory lesions.
- **Constitution:** All type of constitution.
- **Organs/ systems:** Veins, liver, skin, muscles.
- Varicose veins especially ulcerative ones, degenerative condition of veins system, hemorrhoid, venous insufficiency right heart insufficiency.
- Cancerous growth of glandular structures with degenerative symptoms.

Canceroso-8

- **Liver and abdominal system, tissue / glandular or anti degenerative remedies, synergy of three individual remedies S2, F1 C10.**
- **F1: 10 + S2: 10 + C10: 10 = Canceroso- 8.**
- Foe lower GIT, especially large intestine, rectum and anus.
- **Constitution:** All type of constitutional complaints.
- **Organs/ systems:** Gall bladder, liver, pancreas, spleen.
- Chronic constipation, jaundice, diabetes mellitus, degenerative conditions of veins system, hemorrhoid, regulate gastric and intestinal system.
- Disorders of liver and gall bladder, hypertension, best remedy for colon or rectal carcinoma with sever spasmodic convulsions, intestinal obstruction, spastic colon, mal absorption syndrome.

Canceroso-9

- **Stomach remedy, tissue / glandular or anti degenerative remedies, synergy of three individual remedies S1, C5, A3.**
- **S1: 10 + C5: 10 + A3: 5 = Canceroso- 9.**
- Entire glandular structures of GI tract and digestive system.
- **Constitution:** All type of constitution.
- **Organs/ systems:** Stomach, liver.
- Chronic stomach ailments, disorder due nutrition and metabolism, excellent combination for digestion, regulate abdominal agencies.
- Disorders of glandular structure, mucosal surfaces and digestive system with circulatory disturbances, best remedy for metabolic disturbances with impurities of lymph and blood.

Canceroso-10

- **Nervous, stomach specific, tissue / glandular or anti degenerative remedies.**
- Intestine, rectum, appendix, gall bladder and liver.
- **Constitution:** Mixed and nervous.
- **Organs/ systems:** Gastrointestinal, stomach, liver, intestine, colon, gall bladder.
- Irritable bowel syndrome, constipation from nervous disorder, swelling in liver and intestine, hepatitis, warts and polyps in the intestine, regulate nervous stomach disorders, regulate the liver function, digestive disorder due stressful life style.
- Anorexia nervosa, spastic colon, nervous diarrhea, colitis, spastic colon, ulcerative colitis, and rectal prolapse.

Canceroso-11

- **Arthritis and skin conditions, tissue / glandular or anti degenerative remedies, synergy of four individual remedies A2, L1, C5, S5.**
- **S5: 10 + C5: 10 + A2: 5, Linf-1:10 = Canceroso- 11.**
- **Constitution:** Mixed.
- **Organs/ systems:** Liver, skin, venous system, muscles and joints.
- Help maintain joints complaints, joint and skin inflammations, acid regulator, rheumatoid arthritis, chronic liver conditions, chronic skin eruptions, ulcerative abscess, gangrene, carbuncles.
- Hepato-splenomegaly after malaria, appendicitis, gout or rheumatism, with sever joint and muscular pains with swelling, paralysis, neurasthenia, numbness, cold hands and extremities.

Canceroso-12

- **Inflammation and hormonal conditions, tissue / glandular or anti degenerative remedies, synergy of different individual remedies.**
- **A1: 15 + C1: 30 + Atropa Belladonna 5 = Canceroso- 12.**
- Intestine, rectum, appendix, gall bladder and liver.

- **Constitution:** Sanguine, mixed.
- **Organs/ systems:** Arterial system, female reproductive system.

- Inflammation of mucous membranes, uterine bleeding, menstruation complaints, palpitation during menopause, menopausal symptoms with bleeding and hot flushes, emotional level during menopause, bleeding due to polycystic ovary.
- Mucosal or serous membranes, male and female genitals, throat, catarrh, inflammatory lesions of male and female genitals, tonsils, larynx

Canceroso-13

- **Throat specific, tissue / glandular or anti degenerative remedies.**
- For throat, larynx, pharynx and vocal cord.
- **Constitution:** All type of constitution.
- **Organs/ systems:** Throat, glands, larynx.
- Inflammation of throat, tonsillitis, catarrh of the mouth and throat, sinusitis, diphtheria, laryngitis and pharyngitis, stomatitis, mouth ulcer.
- Catarrh, pharynx, larynx, nose, coryza, or influenza, dysphagia, dysphonia, aphonia, hoarseness of voice, sore throat, first drug of choice in degenerative or cancerous growths of throat or its appendages, diphtheria, which is caused by bacterial infection, throat pain, tonsillitis.

Canceroso-14

- **Throat specific, tissue / glandular or anti degenerative remedies, synergy of three individual remedies A3, C13, F1.**
- **F1: 10 + C13: 10 + A3: 5 = Canceroso- 14.**
- **Constitution:** All type of constitution.
- **Organs/ systems:** Throat, glands, larynx.
- Inflammation of throat, tonsil and larynx, tonsillitis with fever conditions, chronic sinusitis, swallowing difficulties.
- Diphtheria, tonsillitis, high fever, cancerous growth of throat.

Canceroso-15

- **Stomach specific, tissue / glandular or anti degenerative remedies.**
- **Constitution:** All type of constitutional complaints.
- **Organs/ systems:** Stomach, digestive system.
- Stomach disorders, regulate the digestive tract, ulcer in stomach, hernia, dyspepsia, gastritis, pylori helicobacter, acidity, hard tumor in stomach.
- Navel, cellular tissue, anorexia, gastric debility, cancerous growths of stomach, in hernia of any type may be of inguinal, femoral, umbilical or lumbar, simple or strangulated, retching, vomiting, nausea or dyspepsia.

Canceroso-16

- **Stomach specific, tissue / glandular or anti degenerative remedies, synergy of three individual remedies A3, C15, S1.**
- **S1: 10 + C15: 10 + A3: 5 = Canceroso- 16.**
- **Constitution:** All type of constitution.
- **Organs/ systems:** Stomach, digestive, mucous membrane.
- Chronic stomach disorders, nausea, regulate the digestive tract, sever ulcer in stomach, chronic dyspepsia, chronic gastritis, hyper acidity, bitter taste in mouth.
- All types gastric and abdominal disturbances, improper circulation of blood. gastric carcinoma, with sever anemia and hernia.

Canceroso-17

- **Urinary bladder specific, tissue / glandular or anti degenerative remedies.**
- **Constitution:** All type of constitution.
- **Organs/ systems:** stomach, digestive.
- Chronic urinary catarrh, weakness of the bladder muscles, bed wetting, urinary retention, urinary incontinence, enuresis, disorder of urinary bladder, not emptying properly the urinary bladder.

Venerio-1

- **Re-adjustment of organism and hereditary dispositions, preventing inherited illnesses, anti septic and anti VD remedy.**
- Constitutional remedy for entire body structures, specifically acts on male and female genital organs and deep structure of skin.
- **Constitution:** All constitution.
- **Organs/ systems:** Blood, lymph, glands, digestive system, skin, urinary, lungs.
- Chronic stage of diseases specially hereditary related, disorder of the lymph, blood and digestion, cancerous forms of the disease, white discharge with strong smell, chronic urinary bladder complaints, chronic infections, chronic eczema.
- Mucosal surface, glandular structures of male and female genitals as testes, seminal vesicles, uterus, ovaries, fallopian tubes and its mucous membranes, syphilis, gonorrhoea, gonorrhoeal urithritis, and endocervitis, congenital or hereditary diseases.

Venerio-2

- **Chronic bladder problems, anti septic and anti VD remedy, synergetic effect of three remedies V1, S2, C17.**
- **S2: 10 + C17: 10 + Ven-1: 10 = Venerio-2.**
- **Constitution:** All constitution.
- **Organs/ systems:** Urinary system, bladder, kidney.
- Chronic bladder complaints, chronic cystitis, urethra with urinary bladder, urinary tract.

Venerio-3

- **Chronic inflammatory condition, anti septic and anti VD remedy, synergetic effect of three remedies V1, A2, C5.**
- **C5: 10 + A2: 5 + Ven-1: 10 = Venerio-3.**
- **Constitution:** All constitution.
- **Organs/ systems:** Blood, lymph, glands, digestive system, skin.
- Inflammatory skin condition, inflammatory digestive complaints, chronic varicose veins, acute and passive mucus membrane.
- Entire glandular structures, warts over the external genitals.

Venerio-4

- **Acute inflammatory condition, anti septic and anti VD remedy, synergetic effect of three remedies V1, A2, Ver1.**
- **Ver-1: 10 + A2: 5 + Ven-1: 10 = Venerio-4.**
- **Constitution:** All constitution.
- **Organs/ systems:** Skin, glands, intestine.
- Acute skin conditions with ulcer formation, acute inflammation of skin, acute inflammatory conditions of mucus membrane.
- Specific for venereal diseases, venereal degenerative symptoms, abdominal discomfort with formation of ulceration over mucosal surface.

Venerio-5

- **Chronic skin disorder, anti septic and anti VD remedy, synergetic effect of four remedies V1, A2, S5, C3.**
- **S5: 10 + A3: 10+ C3:10 + Ven-1: 10 = Venerio-5.**
- **Constitution:** All constitution.
- **Organs/ systems:** Blood, lymph, digestive system, skin, liver.
- Chronic eczema, psoriasis, chronic inflammation of the skin disease.
- Venereal disease, skin lesions, external genitals.

White Electricity

- **Calming and energizing tonic, electric qualities has a negative and positive action.**
- Synergy effect of neutralizing and balancing the whole system.
